AGREEMENT & COVENANTS

TERMS & CONDITIONS

- Scope of work is strictly limited to the line items detailed above. Any requirements outside this scope will require a fresh assessment and a change request order.
- Up to 3 rounds of revisions are included during the UI/UX design phase. Further iterations will be billed at an hourly rate of ₹2,000/hour.
- Hosting, domain registration, SSL certificates, and premium third-party API keys are to be procured by the client or will be billed at actual cost.
- Complete copyright and intellectual property rights will transfer to the client upon full and final settlement of all outstanding invoices.
- Includes 30 days of complimentary post-launch bug support. Regular maintenance, plugin updates, or feature additions after this period require a signed Retainer Agreement.
